

## *Corporate Volunteer Opportunities*

### *EDUCATE*

Provide meaningful and impactful opportunities for your team to learn more about social issues and examples of how their contributions are used to improve lives in Northeast Florida. Bring the whole team, or smaller groups by company departments.

### *BUILD YOUR TEAM*

Customized volunteer and team building projects are available for your employee groups, whether you have an hour or an afternoon. Volunteer events may be tailored to meet your company's volunteer program, corporate mission and workplace skills.

### *ENGAGE AND IMPACT*

The gift of just a few hours will impact lives and make a difference. Some examples of past engagement activities include:

- serving lunch to seniors
- planting a butterfly "peace" garden at a shelter for abused spouses and their children
- reading to children and building shelves for a childcare center's library
- hosting a birthday party for children living in homeless shelters
- painting a mural in the physical therapy room for adults with disabilities
- leading a personal finance class for low-income parents

Your company may focus your project to represent one of United Way of Northeast Florida's community impact areas:

- **Education** - Keeping students on track to graduation
- **Income** - Helping families achieve financial stability
- **Health** - Providing tools for a healthy and engaged life

Other great reasons to get involved:

- Enhance employee teamwork skills
- Demonstrate a positive corporate public image in the community
- Boost brand awareness in the community
- Opportunity to improve employee leadership skills
