

**LIVE UNITED™**

**United Way  
of Northeast Florida**

## **BUILD YOUR TEAM**

**Customized volunteer projects and teambuilding opportunities** are available for your employee groups, whether you have an hour or an afternoon. Volunteer opportunities may be tailored to meet your company's corporate mission and workplace skills.

## **EDUCATE**

Provide **hands-on opportunities** for your team to learn more about social issues and examples of how their contributions are used to improve lives here in Northeast Florida.

## **ENGAGE AND IMPACT**

The gift of just a few hours will impact lives and make a difference. Some examples of engagement activities include:

- **leading a personal finance class for low-income parents**
- **serving lunch to seniors**
- **planting a butterfly garden at a shelter for abused spouses and their children**
- **reading to children and building shelves for a daycare library**
- **building a privacy fence for transitional home for troubled teens**
- **painting the bedrooms of a shelter for homeless women and children**

Your company may focus your project to represent one of United Way of Northeast Florida's focus areas in the community.

- **Early Childhood Success**
- **Helping Students Achieve**
- **Senior Engagement and Independence**
- **Financial Stability**
- **Independence for Adults with Disabilities**
- **Preventing and Addressing Abuse**
- **Positive Youth Development**
- **Community Support Network**

Other great reasons to get involved:

- Enhance employee teamwork skills
- Demonstrate a positive corporate public image in the community
- Boost brand awareness in the community
- Opportunity to improve employee leadership skills
